

CLEANING HACKS & SECRETS

GAME SHOW BROUGHT TO YOU BY MORE GRIME THAN TIME

To play: assemble your quarantine mates, have them answer the following questions. Each correct answer is worth 5 points. The mate with the most points is the winner!

1. Which of the following around-the-house items can be used to disinfect?
(Hint: half of them are true)
- a) Soap b) Vodka c) White Vinegar d) Hydrogen Peroxide
e) Rubbing Alcohol f) Bleach g) Lemon Juice h) Coca-Cola

2. To clean an oven door, make a paste out of water and a white powdered substance. Leave the paste on for 30 minutes, then remove with an SOS pad or balled up piece of aluminum foil. Which white substance works best?

- a) Baking Soda b) White Sand c) Sugar

3. To remove a coffee stain, spot-treat with this liquid before laundering:

- a) White Wine b) Soy Sauce c) Distilled White Vinegar

4: To remove a lipstick stain, blot with this liquid before laundering:

- a) Tears b) Isopropyl Alcohol c) Windex

5: One of your housemates went full Michelangelo on the walls last night. Match the art medium with the best tip for removal.
